## GREENVALE AUDACITY

Tobiano      15.2hhs      Born 2005

Registered CHAPS

**Fantastic Paces      Correct Conformation      Wonderful Temperament**  
**With bonus of colour and superb markings.**

This exciting young Skewbald stallion is by the Coloured Warmblood ALDERFARN VII. He has fantastic paces, oozes WOW factor, has Very correct conformation, superb markings & an adorable temperament. He currently stands at 15:2hh. He has some of the UK's best Trakehner bloodlines.

His sire, although only a young stallion has already produced many Show ring champions and is doing well both Dressage and Showjumping. His sire, ELVIS (graded coloured Trakehner) should need no introduction as a sire of some fantastic progeny. Alderfarn's Dam, Annie was a graded SHB(GB) mare.

AUDACTY'S Dam: **Fleetwater Acclaim** is a pure bred graded Trakehner & BWB graded mare. She was a Masterlock potential competition Horse championship finalist 1990 and later became a proven Dressage horse. Her sire, the very well known Fleetwater Achtermann, was Graded in Germany and in the UK by BWBS & SHB(GB) and produced the very successful performance stallion. Fleetwater Swift, as well as Fleetwater Acclaim and Fleetwater Seabird, both graded Trakehner mares. He is also the sire of Fleetwater Vital times, a grade 1 Sports horse stallion amongst many other successful Dressage, Eventing and Showjumping horses. He himself rose from Novice to Medium level dressage in 4 outings and qualified for regional finals in Novice, Elementary and Medium. In the same year he won 2 Spillers Combined training competitions and was competing Novice Horse Trials when he broke a splint bone, which ended his competitive career. He was used however for side saddle demonstrations at both BWBS and SHB(GB) gradings. The line goes back to MUSCHAMP DANUBE the UK Trakehner foundation stallion & prolific Event, Dressage & Showjumper producer!
